Mantora

Oil Products Pvt. Ltd.

42 YEARS OF TRUST. BUILT TO GROW.

Introduction

Mantora Oil Products Pvt. Ltd. is a diversified Indian manufacturing group with a 42-year legacy of building, manufacturing and growing businesses across essential industries.

With deep roots in the edible-oil industry, Mantora has established itself as one of India's largest importers of crude edible oils, backed by extensive expertise in global sourcing, refining, processing and large-scale manufacturing.

Over four decades, we have built an integrated business ecosystem spanning edible oils, agri-processing, food products, cattle feed and home-care FMCG. Our strength lies in our ability to operate across multiple stages of the value chain—from raw-material sourcing and processing to manufacturing, packaging and finished consumer products.

Today, Mantora combines deep industry experience, established infrastructure, skilled manpower and strong manufacturing capabilities to create businesses built for quality, efficiency and sustainable growth.
